Dear Friends,

I am writing today to ask you for your vote and support for my good friend, attorney Jarad Kent, who is running to become the next judge of the 114th District Court. You know that I would not ask for your support and vote for Jarad unless I truly believed that he had the personal character, professional experience, and core conservative beliefs to be exactly the right person to serve our community as a State District Court Judge. I wholeheartedly believe Jarad Kent deserves my support and I hope you will join me in electing him in the Republican March 3, 2020 primary and then on November 3, 2020 in the general election. You can learn more about Jarad and how you can help his campaign at his website at www.KentForJudge.com.

I have been blessed to work with and get to know you and so many others in law enforcement over the more than 23 years I served as a prosecutor in Smith County, including 16 years as the elected District Attorney. I know how important it is to all of us in Smith County to elect public servants who respect the rule of law. I am confident Jarad will serve as a conservative judge who will follow the law, not write law from the bench. He will also be a fair and impartial judge who will rule on cases before him according to the facts of the case.

I have known Jarad for more than 20 years and have watched him grow up around the Smith County Courthouse. As I've watched Jarad's career develop, I've been impressed by his legal knowledge and obvious love for the law – two characteristics nurtured in him through his upbringing by his father, Don Kent, and mother, Judge Cynthia Kent (retired). Don is a retired attorney, well regarded by his peers as an exceptional trial attorney, and Judge Cynthia Kent served as the Judge of the 114th District Court for twenty years as a fair but tough jurist.

Jarad graduated from Baylor Law School and has been a practicing attorney since 2008. Jarad is a partner of the Chamblee Ryan law firm, established and manages the firm's Tyler office, and has been named a "Rising Star" the past five years by Thompson Reuters Super Lawyers magazine. During his time with the firm, Jarad has tried high-stakes lawsuits across the state. While at Baylor Law School, Jarad served on the Baylor Law Review and was selected to the prestigious Order of the Barristers.

Jarad has the judicial temperament, trial experience, and personal integrity to be exactly the fair, impartial, conservative judge our community needs on the 114th District Court. Please join me in supporting Jarad Kent for Judge of the 114th District Court by donating online at www.kentforjudge.com or completing the enclosed contribution form and sending it with your check to:
